to familiarize himself with the operations and needs of all of ORR. The schedule this week will be as follows: Monday and Tuesday with D/GG, Wednesday and Thursday with D/GL, Friday morning with D/GC, and Friday afternoon with D/GP. Each division will give him oral briefing, and he should have enough initiative to read and ask questions to round out his knowledge of the operations and needs of the Geographic Area.

25X1A9A 4. [REDACTED] commented that the minutes of the Career Service Conference have still not been received, and there is no indication of when they will be available.

25X1A9A 5. [REDACTED] discussed the memorandum from the DD/I on equivalent foreign weights and measures. This memo applies primarily to briefing notices to the DCI and not to basic research reports. In research reports only an initial footnote is required.

25X1A9A 6. [REDACTED] commented on a recently received Army notice concerning the special control classification "Confidential - Modified Handling Required." This special control is another of numerous replacements for "Restricted."
